

# Journal Publishing Workshop

with Elsevier Journals and  
Journal Editor Prof. David Taylor

Monday October 21<sup>st</sup> 2013 @ 6 pm  
Research & Education Centre, Level 6, SRH

This interactive and informal workshop will lead you through important steps in the journal publishing cycle with tips and tricks to make sure your publication gets the attention it deserves!

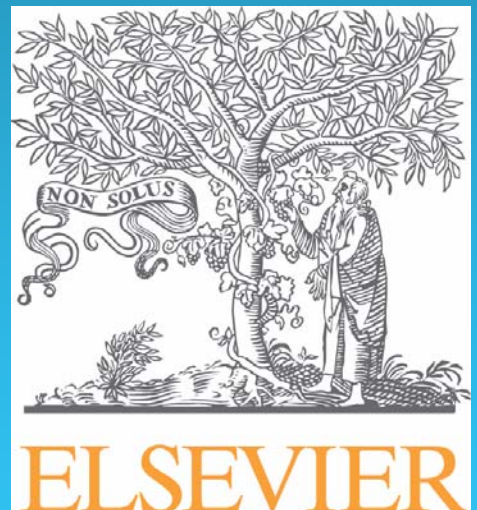

## Key topics:

- Introduction to the publishing process – why publish, and what recent changes in the publishing landscape mean to you as an author
- What happens to your article post submission?
- What are editors really looking for?
- How to write the perfect article!

## Delivered by:

Professor David Taylor,  
Editor in Chief - Journal of the Mechanical Behavior  
of Biomedical Materials, and

Louise Curtis,  
Publishing Director - Elsevier Journals

Participants with publishing experience and newcomers to the publishing process are equally welcome to attend. We look forward to meeting you!

Free event aimed at health professionals/ researchers/academics. Registration not strictly required but expression of interest to [mette.jensen@hse.ie](mailto:mette.jensen@hse.ie) would be appreciated

Jointly organised by the Research &  
Education Foundation and the Library  
at Sligo Regional Hospital
